

Internship Program Office of U.S. Senator Mark Warner Abingdon, Virginia

The Abingdon Office of Senator Mark Warner offers internships during the year to qualified college students and recent graduates who are residents of the Commonwealth of Virginia. The program offers students the opportunity to observe and participate in the workings of the United States Senate. Interns are an essential part of the office and are offered opportunities to assist staff in the areas of constituent services activities, correspondence, attending agency briefings and outreach activities, monitoring media outlets for daily developments and performing general administrative duties.

Interns can expect to spend their time in a combination of substantive work, project assignments and more routine office duties. Hours are flexible within a 9:00am to 5:00pm work day to accommodate school schedules. Our goal is to offer as rewarding an experience as possible, while fulfilling the existing needs of our office.
