

Virginia Commonwealth Department of Conservation and Recreation

Job Title: Summer 2010 or Fall 2010 Internships

Job Location: Abingdon, Virginia

College Majors Preferred: Biology; Chemistry; Earth Science; Environmental Studies - Policy; Environmental Studies - Science; Geography; Geography - Social Sciences

Salary: Non-paid/For Credit

Company Description:

DCR's mission - The Department of Conservation and Recreation works with Virginians to conserve, protect, and enhance their lands and improve the quality of the Chesapeake Bay and our rivers and streams, promotes the stewardship and enjoyment of natural, cultural and outdoor recreational resources, and ensures the safety of Virginia's dams.

DCR's vision - DCR, with the cooperation of partners and customers, is a leader in: providing tangible and lasting improvements to the quality of Virginia's resource lands and waters; serving as a trusted steward of the outdoor recreational and natural resources placed under its care; promoting the conservation and enjoyment of Virginia's diverse and unique environment and rich cultural legacy for future generations; protecting public safety through regulatory programs and conservation law enforcement; and recognizing the value of its dedicated and committed workforce.
