

## Virginia Department of Health Internship Application Process:

Send the following information to [internship@vdh.virginia.gov](mailto:internship@vdh.virginia.gov)

1. Will you earn academic credit for your work with VDH?
2. If so, what is the name of your school and program, and what is the name and email address for your program's internship coordinator?
3. Will you accept an unpaid internship?
4. In what city or geographic area could you accept a placement?
5. When would you like your internship to begin and end?
6. In which area(s) of public health are you most interested?
7. Send a current resume and cover letter.

Your qualifications, academic interest and desired location of placement will be reviewed for availability of internships. For any follow-up correspondence, please use the above email address.
